#### REMARKS

The present amendment makes editorial changes and corrects typographical  
errors in the specification in order to conform the specification to the requirements  
of the United States Patent practice. No new matter is added thereby. Original  
claims 1-21 have been canceled in favor of new claims 22-42. Claims 22-42 have  
been presented solely because the revisions by bracketing and underlining which  
would have been necessary in claims 1-21 in order to present those claims in  
accordance with preferred United States Patent practice would have been too  
extensive, and thus would have been too burdensome. The amendment is intended  
for clarification purposes only and not for substantial reasons related to patentability  
pursuant to 35 U.S.C. §§101, 102, 103 or 112. Indeed, the cancellation of claims 1-  
21 does not constitute an intent on the part of the Applicants to surrender any of the  
subject matter of claims 1-21.

Early consideration on the merits is respectfully requested.

Respectfully submitted,

(Reg. No. 39,056)
